The interest in the Maysville Chautauqua continues and yesterday's programs interested all who attended. Fortunate indeed is the person who is to attend all the numbers, or in fact, any part of the programs.

Dr. E. F. Daugherty, the morning hour lecturer, gave his last talk, his subject being, "The Shams of Convention." His lecture was based upon Harold Bell Wright's famous novel, "The Eyes of the World." During his stay in this city Dr. Daugherty gained a large number of admirers by his earnestness and the effective way in which he presented his themes. It is with deep regret that the people of Maysville see him leave.

In the afternoon the American Girls gave a splendid concert. There are six members in the company and their program included vocal numbers and selections on saxophones, violin, cornet, piano, clarinet and other instruments. Their songs and character impersonations were satisfying and frequently quite amusing. This company seems to put to naught that old piece, "You Can't Play Every Instrument in the Band."

Not the least enjoyable of the week's entertainments was the "Mother Goose Festival" in the evening. One hundred young folks gave a forty minutes pageant that was very unique and appealed strongly to parents and friends, as well as to the boys and girls who took part. The entire pageant was presented in costume.

This was followed by a short, but very pleasing concert by the American Girls.

Frederick W. Maurer, the only survivor of the Stefansson Arctic expedition, was the lecturer for the evening and his wonderful story, "A Fight For

Life in the Arctic," was well illustrated and many of the incidents were intensely dramatic. Maurer was rescued September 7, 1914, after the world had thought the entire Stefansson party had perished.

MRS. SALLIE INGRAM

Mrs. Sallie Ingram, a former Mason county lady, died at her home in Olive Hill, Ky., yesterday of typhoid fever. Mrs. Ingram was before her marriage a Miss Hanson and spent several years of her life in and about Maysville having lived at Summit. She is survived by her husband, two children, a father and mother, four brothers and three sisters. She was 23 years of age at her death. The remains were brought here this morning and will be taken to McKenry Chapel in Bracken county for the funeral and burial. Funeral this afternoon at 3 o'clock.

SANDBAR OUT

The sandbar just below Aberdeen has at last come out after being hidden for almost eight months. The indications are that the river will remain low this summer and doubtless many will journey to this popular bathing beach. Quite a few of the boys were deporting themselves there yesterday.

Mrs. A. P. Brock returned to her home in Clarksville, Ind., yesterday after a visit with her sister, Mrs. E. G. Knox of West Third street. Miss Mary Eunice Knox returned with her and will visit there about two weeks.

Miss Nellie Tolle returned to her home in Ashland, Ky., yesterday after a visit with her sister, Mrs. Henry Meyers, of East Second street. Mrs. Meyers accompanied her home and will remain there about two weeks.

Mrs. O. C. Henry and daughter, Miss Bruce, of Minerva, left yesterday for a three weeks' visit to her parents, Mr. and Mrs. William Menaugh at Williamstown, Ky.

Mr. Shirley Frost of Huntington, W. Va., returned home last night after a few days' visit with his parents, Mr. and Mrs. James Frost of Cherry street.

The First Presbyterian Church Prayermeeting will be postponed to Friday night, on account of the Chautauqua.

Master John Harper of Chicago is visiting his relatives Mr. and Mrs. R. M. Harrison of Commerce street.

Mr. Raymond Hutton of Newport, Ky., is visiting his aunt, Mrs. Annie Daly, of West Fourth street.

12 TO 3

Was the Amount of the Licking Administered to the Huntington Team Yesterday Afternoon and Maysville Continues to Occupy Third Place.

Again the Burley Cubs romped away with the game plum yesterday and this time they trounced the visitors by the delicious score of 12 to 3. French pitched for the locals and was touched for thirteen hits. The Huntington team played fairly good ball but they could not get around the bases at all. The three runs that they got were given to them.

Huntington scored two in the first. Schmeir and Ollum beat out a couple that should have been out. Fisher sacrificed and was safe on Wickham's error. Schmeir scoring. Distill paraded. Raftery grounded out. Ollum scoring.

Maysville secured half of hers in the last half of the first. Coyle popped out. Wickham walked. Kaiser singled. Williams singled, scoring. Wickham. Jones grounded out. French was safe on a lovely munt by Smith, Kaiser and Williams scoring. French went to second on a passed ball. Kohlbecker singled. Timin singled. French. Coyle singled. Wickham grounded out.

The locals scored four more in the third stanza. With one down Skinner singled. Coyle followed suit. Wickham took four. Kaiser hit for two. Skinner and Coyle ambled in. Williams also contributed a hit and Wickham and Kaiser crossed.

The lucky seventh brought the last two for the Cubs. Wickham was safe on Ollum's error. Kaiser grabbed another two bagger, scoring Wickham. Singles by Williams and Jones scored Kaiser.

The visitors gathered one in the ninth. DeLotell singled as did Gaffin. Schmeir was hit by a pitched ball. Ollum popped out. Fisher forced Schmeir and DeLotell scored.

NOTES

Wickham is playing a sensational game on third. He is an excellent player and with another season's experience should go higher.

Williams secured four clean singles out of five trips to the pan yesterday. He is battling like a demon now and here's hoping that he keeps it up.

Umpire Tannehill is giving the best of satisfaction during this series. Of course some of his decisions are poor but he is the best that has been here for many moons.

The game was one of the shortest ever played on the local field lasting only an hour and five minutes. After the third the teams seemed to play to get it over with as men on the bases were left entirely alone.

Charleston beat the Old Taylors at Frankfort yesterday and continues to occupy third place with Maysville. The locals can not possibly finish lower than fourth as there is one and one-half games between her and Frankfort. The team however expects to finish third and there is no reason why they should not.

Today is the last game of the first half of the season. The Huntington team will again be the attraction. The teams will lie idle tomorrow. The second half will begin Saturday when the Portsmouth Cobblers will appear again. The team is going good now and show every sign of being pennant winners in the second half.

CARRANZA'S NOTE

End Crisis With Mexico—Document Sent By First Chief Short and Tone Friendly.

Washington, July 5.—Early resumption of friendly diplomatic conversations with the de facto government of Mexico to the end that peace and order may be restored in Northern Mexico and along the border is expected here to be the next step of the United States in relations with its southern neighbor.

The crisis precipitated by Villa's raid on Columbus, N. M., and culminating in the fight at Carrizal, Mexico, between American and Mexican troops, appeared tonight to have been dissipated by an amicable note from General Carranza presented during the day by his ambassador here, Eliseo Arredondo.

The note proposes that the differences between the governments be settled by mediation or by direct negotiations. It is remarkable for its brevity, its restrained and friendly tone and for the absolute lack of any of the strong, even insolent language which characterized the last two communications from the de facto government. It treats as a closed incident the exchange of unfriendly communications which brought war almost within sight.

No formal comment on the note was obtainable from State Department officials. A copy was forwarded to the White House immediately upon its receipt and President Wilson will determine the course to be pursued. The fact that Secretary Lansing completed his preparations today for a month's vacation to begin Friday, is regarded as significant, however, of a feeling on his part that the crisis is over.

Always for Mediation Principle

As a matter of general principle the Washington government always has favored mediation of any dispute suitable for such procedure. There is every indication, however, that in the present instance it will be deemed desirable to conduct the coming negotiations directly with the Carranza government.

Members of the Latin-American diplomatic corps here are expected to make inquiry soon as to the attitude of the Washington government, in view of the statement of the Mexican foreign office that it awaits only a decision here as to whether mediation or direct negotiations would be preferable. Indications tonight were that the inquiries would be met with assurances that the two governments had reached a stage where they would not find it necessary to call upon the friendly services of their neighbor states.

NARROW ESCAPE

Miss Blanche Riddle of Aberdeen narrowly escaped being drowned Tuesday night. She was returning from the Chautauqua and had reached the Ohio side of the river. She was attempting to step up on the ferry when she slipped and fell into the river. Had it not been for her presence of mind in grasping an iron bar and holding on until help arrived there might have been a different story. As it was she only received a thorough wetting.
